CENTRAL CATHOLIC HIGH SCHOOL

In its forty-first year of publication, Central's VIKING continues in its challenging role of informing the student body about issues and events affecting the school community. This year's staff, under its editor-in-chief, Mark Schaub, provides monthly reports reflecting events of the recent past and highlighting current social, academic, and sports programs. Each issue attempts to stimulate student interest in both curricular and extra-curricular activities.Thus, this year's VIKING, as in the past, provides an all encompassing view of Central life.

In spite of various obstacles, the current staff, under its new moderator, Brother Daniel Kelly, has succeeded in its three-fold goal of reflecting, reporting, and stimulating. The editorial staff has been ably assisted by a group of dedicated underclassmen without whom these aims could not have been accomplished.

Unlike other schools which rely on journalism classes for their publications, much credit is due to these students whose time and efforts provide a valuable service for the Central community. The TOWERS staff, on behalf of the entire student body, extends its thanks to these dedicated individuals.

Senior Members. Seated: Paul Devereaux, Gene Longo, John Scolieri. **Standing:** Eric Arnett, Brian Eichenlaub, Jim Fallon, Andy Hutchison.

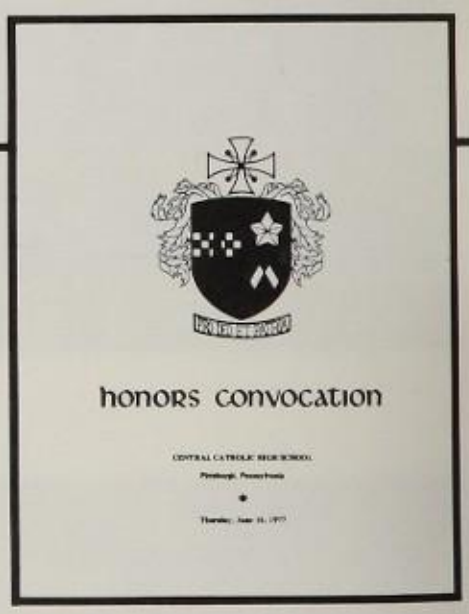
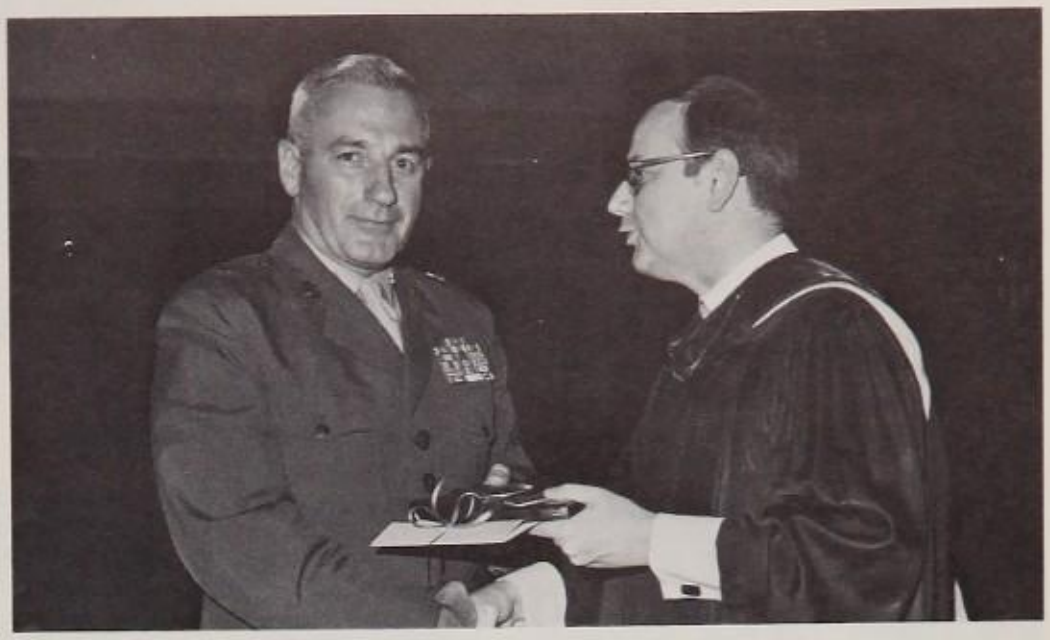
HONORS CONVOCATION

Each June the Honors Convocation pays tribute to Central Students who have excelled academically and encourages them to continue to uphold their high standards of achievement.

The annual convocation first honors underclassmen for outstanding achievement on national tests and for maintaining Central Catholic's Honor Roll standards of gentlemanly conduct and a cumulative record of 90% or better. Secondly, the induction of members of the junior class into the LaSallian Chaper of the National Honor Society honors those who, besides having maintained the prescribed general average, have also contributed to the school as members or often officers of extracurricular activities. The Society aspires to implant within the individual an inspiration to develop his particular talents and abilities.

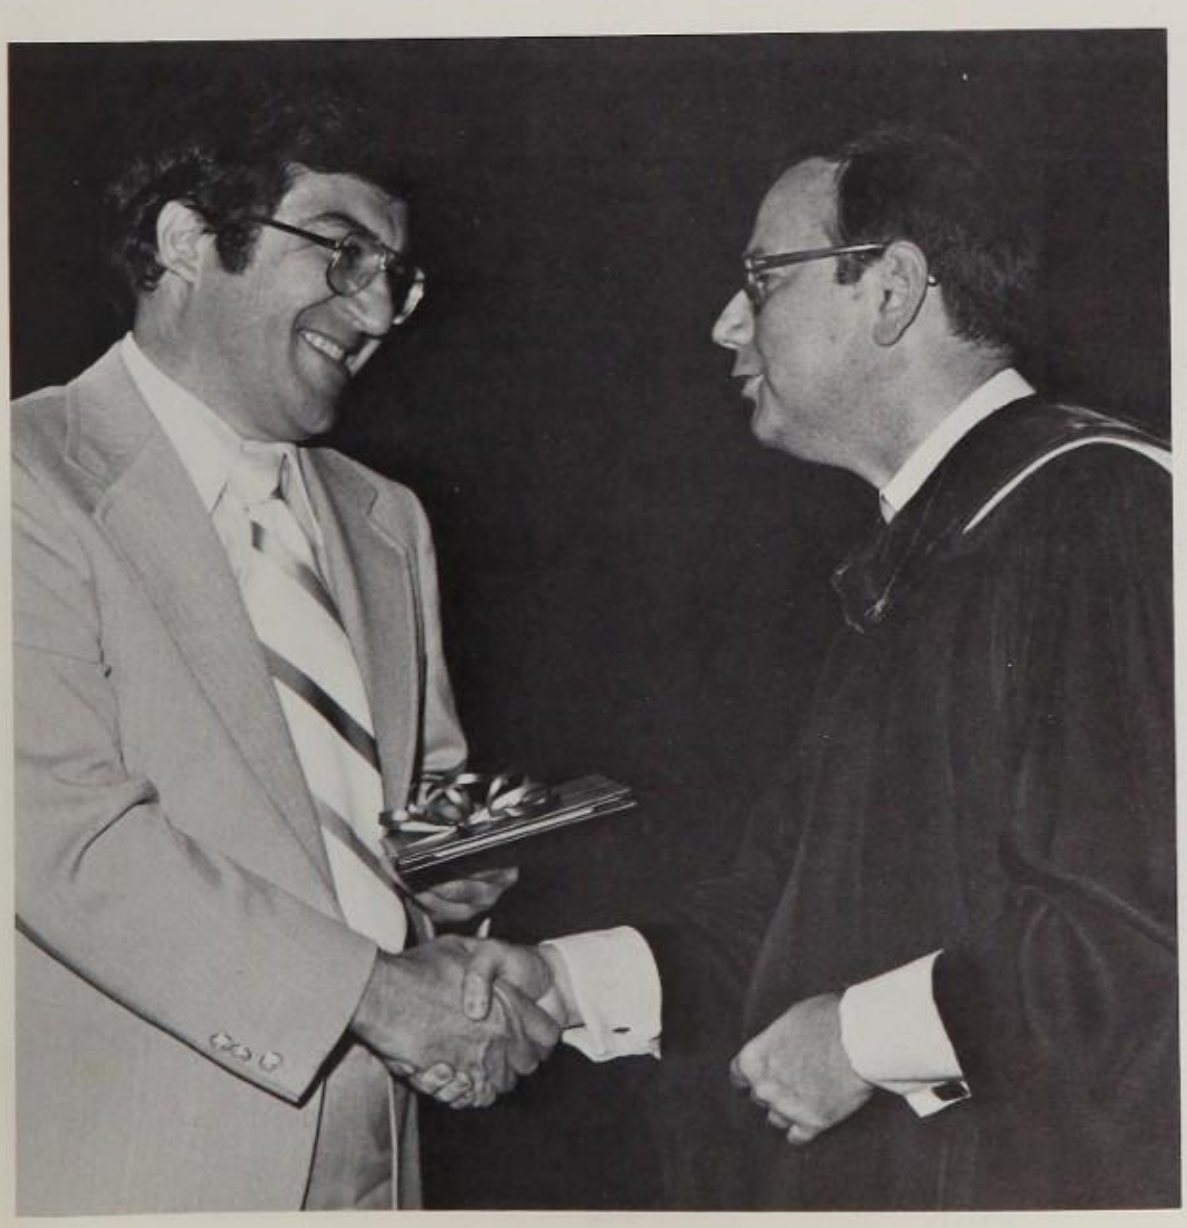


HALL OF FAME



The 1977 Alumni Hall of Fame Award and honorary membership in the National Honor Society were presented to Brigadier General Calhoun J. Killeen. Now the Inspector-General of the United States Marine Corps, Gen. Killeen is a graduate of The Naval Academy and received a Master of Science degree in International Affairs from George Washington University. General Killeen was cited as an example of dedication to service, leadership and scholarship that characterizes members of the National Honor Society.

THE FIRST HONORARY GRADUATE



A special award, an honorary Central Catholic diploma, was presented to Dr. Robert A. Labriola in recognition of his dedication to Central. Dr. Labriola has served as President of the Board of Advisors, Team Physician, President of the Band Parents Club, and is co-ordinator of the 50th Anniversary Fund. In presenting the honorary diploma, the Principal remarked that, "Although in the foolishness of his yourh Dr. Labriola chose to attend Peabody High School, we feel that because of his unselfish and untiring efforts on behalf of the students of Central Catholic, he well deserves this unique honor."

ATHLETICS

Although major emphasis is placed on academic excellence, Central also prides itself on its outstanding athletic program. Sports programs at Central attempt to develop sportsmanship and the spirit of fair play in both its teams and in its individual members. Athletic competition not only molds the participant physically but also refines the characters of the team members. Comradeship, cooperation, and self-discipline are essential ingredients for success in Central's athletic endeavors. The athlete has an opportunity to develop confidence in himself and realize the importance of others' contributions to the team's success. For in sports it's not success that matters but the joy and satisfaction which is attained through participation.

UNDERCLASSMEN

Seventy-five per cent of the students attending Central Catholic are underclassmen. Freshmen, sophomores and juniors are an integral part of Central's program, and they participate in a major way in the activities of the school. They play on its athletic teams; they work for and sometimes lead its clubs and organizations; they reflect the school's unique spirit. Their three years as underclassmen provide them with opportunities to assess their academic, physical, and spiritual development. They can isolate goals they hope to achieve during their senior year. Determination and perserverance characterize underclass life at Central Catholic.

Central is a temporary experience which demands that we leave it behind at some time—that time is now. Central has aided our transition from childhood to manhood. Now let us look at ourselves; let us see ourselves as men, mature and disciplined—men free to express themselves, men free to mold their future, men free to dream.

SKETCHINGS

"There is a part of me that wants to write, a part that wants to theorize, a part that wants to sculpt, to draw and to paint, a part that wants to teach . . ." (Hugh Prather)

Included below are some sketches by a few outstanding artists of the class of 1978—those who decided to pursue a gift given to them by God and to develop that part of themselves that wants to draw.
